

## New Chapter Delegate Grant

The Texas State Association of Young Farmers will provide a grant to encourage newly chartered Young Farmer Chapter participation in the Texas Young Farmer convention held each January. The grant will consist of waiving the convention registration fee for up to two chapter delegates. In addition a stipend of \$100 per delegate to offset delegate expenses for up to two chapter delegates will be paid only after the delegates check in at the convention. To be eligible for the delegate grant, convention registration must be submitted either by the [www.txyoungfarmers.org](http://www.txyoungfarmers.org) web site or by US mail to the convention registration address post marked before the convention late entry cut off date. When registering please check the "Pay by check" box on the registration application and note New Chapter Delegate Grant in the comment section of the registration application. In addition this completed grant application must be submitted to the Texas Young Farmer Executive Secretary.
